PROFESSIONAL SUMMARY

Business Analyst and recent graduate (Bachelor in Global Business, June 2026) with hands-on experience in business process analysis, requirements gathering, and process improvement projects. Skilled in SQL, Python, Tableau, and Microsoft Office, with a background in accounting, invoicing, and stakeholder management. Experienced in gathering business requirements, preparing business reports, documenting workflows, and supporting data-driven strategies. Strong analytical thinking, problem-solving, and communication skills, collaborating effectively with cross-functional teams in English and Spanish.

CORE COMPETENCIES

Business Process Analysis • Requirements Gathering • Workflow Documentation • Stakeholder Management • Business Reporting • Process Improvement • Data Analysis • Process Automation • Problem Solving • Cross-functional Collaboration

PROFESSIONAL EXPERIENCE

Freelance Developer

02/2025 – Present

RFA — Tijuana / Ensenada, Mexico

- Analyze business processes and gather requirements from finance and operations teams, translating them into automation opportunities and technical solutions.
- Develop and deliver automated workflows with Python, FastAPI, and Playwright, reducing manual processing time across invoicing and customer service.
- Build CFDI 4.0 electronic invoicing with SAT stamping, PDF generation, and email delivery, plus integrations with WhatsApp Business API and Telegram.
- Document workflows, validation rules, and integration procedures for internal users.
- Collaborate with stakeholders across accounting, sales, and operations to implement process improvements and support project execution.

Sponsorship Director

01/2025 – 06/2025

Student Participation Committee — Tecnológico de Monterrey

- Led the committee's finance area and secured corporate sponsorships for charity events and student initiatives.
- Managed outreach, proposals, and follow-up with local companies to secure semester resources.
- Presented financial results and accountability reports to the committee.

Accounting Assistant

09/2019 – 01/2020

RFA

- Processed invoices, journal entries, and financial documentation while maintaining accurate records.
- Supported monthly closing through account reconciliations and financial data validation.
- Prepared financial reports and improved documentation of accounting workflows and internal controls.

Delivery Driver & Sales Associate

01/2019 – 08/2019

RFA

- Supported B2B deliveries, order processing, and customer account follow-up across the Ensenada area.
- Managed route collections and inventory control, keeping accurate records.
- Identified upselling opportunities and strengthened relationships with recurring customers.

EDUCATION

Tecnológico de Monterrey (ITESM)

08/2022 – 06/2026

Bachelor of Global Business — Concentration: Data Analytics & AI Tools

- Cumulative GPA: 91.76 / 100 — Academic Talent Scholarship (academic excellence distinction).
- Relevant coursework: Business Strategy, Data Analytics, International Trade, Global Logistics.

Vrije Universiteit Amsterdam

08/2025 – 01/2026

Cultural Exchange Programme — Business, Management & Negotiation

- Managing Negotiations: Getting to Yes (Advanced); AI for Business (Advanced); Global Sustainability; Academic Skills; Data Structures and Algorithms — 7.0 / 10 (24 ECTS).
